SAMPLE CALL SCRIPT

Hello, may I speak to the staff person handling the issue of immigration?

Hello, my name is _____. I'm a constituent and a member of the Jewish community, and I am calling to urge Senator/Congressman(woman) X to support comprehensive immigration reform.

As a Jew, I recognize the contributions of immigrant families like my own. I support wider legal channels through which immigrants can live and work in the U.S. with their rights protected, swift family reunification and a path to citizenship for those already here who are working, paying taxes and contributing to our society, along with border protection policies that are humane and effective.

Congress must not delay any longer – the time to act is now. I urge you to support comprehensive reform of our broken immigration system in a practical and humane way.

Thank you for your time.
